Subject: Letter of Recommendation, Sam Lindsey

To Whom It May Concern,

It is my pleasure to recommend Sam Lindsey. Over the past year, I have worked closely with Sam at Green House, the student-run digital marketing firm at Utah Valley University, where I serve as a consultant and mentor. In that role, I oversee student performance and client outcomes, and Sam consistently stands out among his peers.

Sam combines strong technical expertise in digital marketing with exceptional leadership ability. As a team/project manager, he has led client initiatives with professionalism and precision, delivering measurable results while maintaining clear communication and accountability. He approaches challenges with composure, sound judgment, and an analytical mindset, enabling him to solve problems efficiently.

What distinguishes Sam most is his balance of independence and collaboration. He requires minimal supervision, takes initiative proactively, and executes at a high level. At the same time, he elevates those around him—supporting teammates, communicating clearly, and contributing to a positive team culture. As an experienced entrepreneur and business owner, I see Sam as a high-performing professional that organizations actively seek and value.

I am confident that Sam will exceed expectations in any role he pursues. He has my strongest and most enthusiastic recommendation.

Please feel free to contact me if you would like additional information.

Sincerely yours,
